SPRAY PAINTING

WELDING

Full job description

Kosmo Smash Repairs, a Miller & Griggs company, is currently recruiting for qualified and experienced Panel beaters to join their workshop in Tamworth NSW.

The successful candidate will need to undertake and possess:

- Strong Commitment to safety – No short cut
- Remove damaged panels and components by unbolting or cutting them away
- Straighten badly damaged vehicles using mechanical and hydraulic equipment to obtain door, boot and bonnet clearances
- Cut and join replacement sections or damaged panels using oxyacetylene and electric welding equipment
- Fit the repaired panel on the framework of the vehicle and refit body hardware such as door locks and door trim
- Assist in the preparation for spray painting vehicles.
- Remove and replace accident-related mechanical items
- Realign chassis and body frames, and use chassis alignment machines and measuring systems
- Remove and replace auto-electric components
- Remove dents by hammering panels with special panel beating tools such as planishing hammers
- Ability to work under pressure
- Time management and attention to detail
