### Full job description

D&C Projects is the largest building design and drafting company in Tamworth and the go-to business for most developments in the growing regional area of Northern NSW. Undertaking both small and large scale projects, with decades of experience, we invite you to become a valuable member of the team. With exponential growth we have a number of positions available and are seeking experienced people in the architectural drafting field. Move to a growing regional area and expose yourself to a variety of projects and project involvement. Tamworth boasts country living, affordable house and land prices and a thriving regional economy.

### Preferred Qualifications & Experience

- Graduate Architect
- Diploma Building Design
- Minimum 5 years Industry Experience
- Archicad experience is ideal
- Excellent communication skills

### Tasks & responsibilities

- Experienced architects/draftspersons who can manage design and documentation of renovation, residential, commercial and industrial projects.
