easy; expert advice, pickups, deliveries and making sure our equipment is ready for hire.

This role requires you to;

- Instruct and demonstrate to customers on how to safely use our equipment.
- As the Driver, perform pickup and delivery of equipment from customer sites, which includes safely loading and unloading of equipment
- Provide exceptional customer service in all customer interactions
- Maintain the high standard and quality of equipment through regular servicing and minor repairs.
- Perform cleaning of branch facilities and maintenance of equipment as required
- Perform equipment 'check in' and 'check out' inspections

About you

- Successful applicants have come from various backgrounds such as; Customer service, building & construction, hospitality, retail, driver, landscaping, trade & maintenance.
- A current driver's licence
- The availability to work weekends and some day/s during the week (when rostered)
- This role requires some physical components including lifting and standing on your feet for long periods. A level of physical fitness is required and the ability to pass a drug test
- Strong communication skills
- Be proactive and keen to learn new skills
- An interest in machinery and equipment, although training will be provided
- A positive attitude and team player
- A COVID-19 vaccination is preferred for this role as Kennards Hire operates as part of the construction industry in SA and our customer sites may require this.

Why join the family
