Full job description

Your new company

This opportunity has become available with a Financial Services company based in Sydney CBD.

Your new role

In your new position you will be supporting the strategic sourcing activities with the procurement manager and stakeholders within the business units. You will be providing unique insights to drive value and manage risk across the activities. You will also be leading the go to market process through to negotiation and execution.

What you'll need to succeed

In order to be considered for this role you will need to have strategic sourcing experience but open to category experience. You will be a strong negotiator with category, supplier and contract management experience. As this is a greenfield role, experience within a similar environment will be highly regarded with the experience of driving continuous improvement.

What you'll get in return

In return you will get a permanent role working within a supportive team which encourages career development. Flexible working is also available.
