Full job description

Your new company

This section within a large government department is responsible for delivering outcomes and economic objectives for the broader community.

Your new role

In this role you will be responsible for giving advice and guidance on the complex and sensitive aspects of procurement and contract management activities to ensure compliance within the department.

What you'll need to succeed

This role requires someone familiar with contract renewal processes and who has good experience with procurement and contract management policies from a departmental perspective.

What you'll get in return

A chance to work in a task-force to deliver contract renewals and then manage the contracts through stakeholder engagement.
