Full job description

Your new company

Are you an accomplished recruiter with leadership experience and passionate about developing others? Do you want to work with a leader in the recruitment world, known for being experts; offering rewarding careers and for their innovative technology linked with world leading recruitment solution providers?

At Hays, we believe the right job can transform a person's life and the right person can transform a business. Across ANZ alone last year we found nearly 20,000 people permanent jobs and every week we pay more than 18,000 temporary workers; so as a recruiting expert at Hays, you too have the opportunity to change lives every day.

Your new role

Working as a Manager at Hays gives you the opportunity to manage not only your own client portfolio, but also impact success and growth across the entire business using your exceptional relationship and business development skills. You will be responsible for the ongoing training and professional development of your team as well as driving operational excellence through strong management and direct staff mentoring.

What you'll need to succeed

As an accomplished recruiter your expertise, professionalism and exceptional communication skills will ensure you provide the best service in the market and become a go to industry expert. With strong business development skills, you will be confident in working strategically to develop your client base. You'll be a natural relationship builder, with a passion for building long-standing relationships and already be a valued and trusted advisor to your industry.

In addition to delivering exceptional personal results you will have a track record in leading a highly engaged and organised team. You will have strong

leadership and coaching skills and be able to demonstrate your success in developing others to reach their potential and your genuine passion for accelerating careers.

What you'll get in return

At Hays we have a meritocratic culture where career progression is based on your success and offer you a clear and rewarding career structure. As a Manager you will have a clear pathway to promotion and we are committed to developing you through both structured training and innovative development programs designed specifically for you as a member of the leadership team.

Your personal accomplishments and career success can provide the platform for continued career opportunities with a Global network of offices across 34 countries in Australasia, Asia, Europe, North and South America through our international mobility program. Our employee benefits package includes an \$80k base plus commission and a wellness and flexible working program ensuring a balanced, healthy and happy workplace.
